

ARCHITECT

Item

1.00 Introduction

D5 currently seek talented and enthusiastic RIBA qualified Architects (minimum 3 years post qualification technical experience) to join our team and work on a number of exciting new commissions. Ideal applicants should have a broad range of working experience through RIBA Work Stages 1 - 7, with particular emphasis on technical design, the ability to lead within teams and work autonomously, have working experience of Revit and Auto-Cad, have excellent technical, design and presentation skills.

2.00 VACANCY

Position:

Architect

Reporting to:

Associate/ Partner

Qualifications:

- RIBA Part 1 - Degree in Architecture from and ARB/ RIBA approved school – essential
- RIBA Part 2 - Post Graduate Diploma in Architecture from and ARB/ RIBA approved school – essential
- RIBA Part 3 - Post Graduate Diploma in Architectural Practice – essential
(The above can be replaced with equivalent qualifications from other countries supported by a UK NARIC Statement of Comparability)
- Current registration with the ARB as an Architect – essential

Role within practice

- Project runner and design team coordinator generally focusing on a single primary project
- Client liaison on small commissions under guidance of team leader.
- Representative the practice externally through client and consultant liaison.
- Mentor for less experienced staff members.
- Developing project and team leadership role within the practice. Developing design approach and bringing experience to the realisation of design concepts. Key role in the development of design proposals from inception to completion.

Job Function

Essential post for the development of projects at all levels. Dependent upon project sizes, generally concentrating on a single larger project with others in development.

The primary day to day project running role with responsibility and reporting direct to Associates and Partners and in accordance with RIBA guidance and good practice ensuring office resources respond to project requirements.

Key second stage development of long term working relationship with clients with day to day responsibility for client liaison and reporting.
